Certified nurse midwives Pamela Hetrick and Iola Pustelnik have joined board-certified obstetricians/gynecologists Philip Brzozowski, MD; Kelly Buchanan, MD; Joi Robinson-Tidmore, MD; and Abigail Tucker, MD, at Lake Health Physician Group OB/GYN. They bring a fresh approach to women’s health care. Pamela and Iola provide the full scope of midwifery, which encompasses well-woman care throughout the lifespan, along with expertise in low-risk pregnancy, labor and birth.

Pamela and Iola earned their master’s degrees in nursing and nurse midwifery certifications through Case Western Reserve University–Frances Payne Bolton School of Nursing and are board-certified. They have a special medical interest in trial of labor after cesarean section, hydrotherapy, low intervention births and adolescent health. Iola is fluent in Russian and Ukrainian.
